**me**  
michaelson entertainment

Crinkly, noisy sensory toys for NFL & MLB fans!  
Rally Paper is the licensed version of Baby Paper  
& is sure to bring a smile to every fan.  
Great for learning eye-hand coordination while  
cheering on your favorite team.

RALLY PAPER  
DISPLAY BUCKET

Sensory stimulation is not just for babies.  
Older kids & adults often find comfort in fidgeting.  
Our line of Fidgety Paper is  
soothing, washable & portable.  
Safe for babies through adults.  
These are great for medical centers,  
therapy & education systems.  
Available in pocket-sized (4.25" x 4.25")  
& Large (12" x 12")  
Gartel Patterns work well for Older Kids & Adults too!

## Customized Baby Paper

Your logo or idea on Baby Paper

Baby Paper®  Specialty Retailers 

When my children were young, I would hand them paper napkins to entertain them while dining in restaurants. There was something so appealing about the sensory stimulation in those napkins that kept them entertained.

Many napkins later, the idea for **Baby Paper** was born....Creating a sustainable version of the paper napkin, with no chance for paper cuts!
